Dear Mr. Tucker:

The U.S. AbilityOne Commission® is pleased to announce that Independent Suppliers Group has been recognized as an **"OUTSTANDING"** AbilityOne Program distributor due to your continual efforts to support the AbilityOne Program during Fiscal Year 2016.

The AbilityOne Program generates jobs for individuals who are blind or have other significant disabilities through Federal Government purchases of certain products and services provided by nonprofit agencies employing such individuals.

We appreciate the effort that Independent Suppliers Group has made over the years to support the AbilityOne Program.

Sincerely,
